

## Hostel

The Institute has a well established hostel to provide a safe and secure residential facility to the girls coming from the nearby rural areas, eager to pursue their higher education within the college campus. The name of the hostel is **‘Swayamsiddha’** to accommodate 70 students which has two blocks and 27 rooms along with beds, tables, chairs, fans, coolers and wardrobes Mess facility is also available to the students. Gym is available in the college premises for the students of hostel along with carrom-board and chess. An LCD is also installed for their recreation and education. Computer facility is also accessible to the residents. To upgrade their knowledge, students can make use of the books available in the hostel library. A part time doctor also volunteers his services to meet the medical emergency. Various committees like food, cleanliness, health and discipline have been formed for smooth functioning.
